

City of Pilot Point Operational Update Week of June 25, 2018

Main Street

Pilot Point Main Street hosted the 4th Annual Hot Rods and Heroes Car Show on Saturday, June 16th. Donations netted right at about \$1,400.

The last group of monogrammed bricks were finally received from Acme Brick last week and installed!

Library

Over the last two weeks the Library has hosted a variety of programs for all ages. Children of all ages participated in a Brazilian martial arts presentation by the Ft. Worth Capoeira (photo below). James Wand entertained everyone with his “Top Secret Spy Magic Show” (photo next page, top right). a Park Ranger from Lake Ray Roberts demonstrated how to make primitive fires (next page, top left). Texas A&M AgriLife’s “Cooking Well with Diabetes” is finishing the last of four sessions this Friday. Ms. Erica and Ms. Wendy visited the Countryside Nursing Home for some Music & Movement plus we’ve had weekly preschool programs, Yarn Buddies, and family movies.

The Library will be closed on Wednesday, July 4th for the 4th of July holiday. On Thursday, Yarn Buddies will be meeting at 11:30 a.m.; on Friday, the movie, “101 Dalmatians” will be shown at 2 p.m.; and Saturday will be a drop by Game Day for our board game enthusiasts.

Community Development

The City has a number of building projects going on at any given time. The Operational Update will provide a summary each week of the various projects and a status update. A flowchart is provided with the various stages of development. A green box indicates that stage is complete, a yellow box indicates in progress, a red box indicates the project has been halted by the developer or the City and a gray box indicates the developer has not reached that phase yet.
